

OBJECT LESSON OR KIDS SERMON

ITEMS NEEDED:

A butterfly net

Long before smartphones and Pokemon Go, kids were chasing after amazing creatures in the wild. They used nets like these to catch butterflies and collect them in cages.

People collect all sorts of things. They collect stamps, coins, comic books, toys, antiques, you name it. Collecting is a fun hobby, but all the things we collect in this life will stay here when we leave. There's only one thing we can collect that will go with us to Heaven: our friends.

Jesus gave us the command to go and tell the world that he loves them. Jesus wants us to bring our friends to him so they, too, can go to Heaven.

There's nothing that makes God happier than seeing us go and tell our friends about Jesus. Let's commit to being Christians who go and bring our friends to Christ. Jesus loves the world. He loves our friends. He wants us to catch 'em all!
