Hip techno music plays as iChad and Sam enter.

ICHAD: Hey, guys, welcome to iChad, the most excellent show that brings you the latest in technology. I'm your host iChad, and with me is my co-host, Sam.

SAM: Hey.

ICHAD: This week on iChad, we're going to talk about Spotify. Sam, do you know what Spotify is?

SAM: Yes, it's an app that lets you identify dogs.

ICHAD: Wrong.

SAM: Phooey!

ICHAD: It's a streaming music app that gives you access to thousands and thousands of songs.

SAM: Did you say thousands AND thousands??

ICHAD: I did!

SAM: That's a lot of thousands!

SKIT

ICHAD: Spotify is great because you can pick songs by artist, by year, by style, any way you want to choose.

SAM: I know what I'd choose.

ICHAD: What's that?

SAM: I'd set my Spotify to worship music.

ICHAD: Excellent call, my friend. Spotify can stream music to you one song after another. What better way to fill your heart with praise for our God?

SAM: God has been so good to us, I just want to praise him all the time. And God loves when we praise him!

ICHAD: Yes he does.

SAM: So how about you, iChad? What have you been streaming?

ICHAD: Me? I've been streaming worship songs.

SAM: Have you really?

Sam grabs iChad's phone.

ICHAD: Hey, give me that!

SAM: Weird AI Yankovic? Really?

ICHAD: Well, God does want us to laugh and enjoy life.

SAM: Yes he does, and that's another reason to fill our hearts - and ears - with praise.

ICHAD: Good call. I'm gonna stream some praise and worship right now.

SAM: And I'm gonna get the app so I can do the same.

ICHAD: That's all for this week, gang. Good day, and have a pleasant tomorrow.
